ORC-7DE

orcomm
*Now You're In Control*

ITEM NO: 12506

The ORC-7DE presents itself as a premier entry-level Door Entry screen, seamlessly incorporating core functionalities alongside an array of extended features typically reserved for higher-tier screens. Despite its competitive pricing, the ORC-7DE delivers a specification upgrade without the burden of associated costs often linked with premium options.

This innovative device not only streamlines installation but also ensures effortless use and maintenance, catering to the diverse needs and stages of any project life cycle. Its simplicity in operation and upkeep appeals to all stakeholders involved, from property developers and installers to end-users.

Designed to elevate user experience without compromising on affordability, the ORC-7DE strikes a perfect balance between functionality, accessibility, and cost-effectiveness. Its versatility and ease of integration make it a standout choice for projects of varying scales and complexities, setting a new standard in door entry systems.
